*"Great band...Great night...thank-you!" - Elton John's Christmas Ball.*

We combine our energetic and exciting stage performance with the highest level of skill & unrivalled experience. Playing great music is one thing but engaging with a crowd is essential for a brilliant night and we will adjust and adapt our set according to your wishes and the requirements of the guests, everything we do is carried out with a mix of humour, personality and professionalism at all times

- **We have both Male and Female lead vocalists in the band, which allows us to offer real variety of music and a vast repertoire for your guests, where the songs are performed in their most authentic way**
- **We perform up to 3 hours of live performance (your schedule allowing) which is an hour longer than most of our competitors. We also provide (at no extra cost) music during all breaks so no need for the extra expense of a disco.**
- **Our extensive, varied repertoire is much larger than many other Party Bands: From 'Kings of Leon' to 'Adele' to 'Bon jovi' to 'Beyonce', rock, motown, soul, funk, and disco. you can be absolutely sure that guests of all ages will enjoy our music and will be up dancing and singing all night long!**

Available from the 'Classic' 4 piece line-up to the 'Ultimate' 8 piece combination.
